OFFICE OF the Chief Engineer for Irrigation
in Mysore, Bangalore,
13-7-1946

To

The Secretary to Government,
Public Works Department,
Bangalore.

Sir,

HONORARY ASSISTANT ENGINEERS.

I have the honour to state that in Government Order No. 6352-54/Est 62-45-3 dated 16-3-1946, Honorary Assistant Engineers, who are in charge of Sub Divisions and who are drawing a salary of Rs. 200/- per mensem from a long time have ordered to be granted, the grade pay of Rs. 200-25/2-250. In view of the above Government Order, the followin Honorary Assistant Engineers are eligible for the revised grade:-

		* Corrected date noted
Mr. V. Rajagopala Iyengar	~~15-1-1940~~	8.7.41
Mr. K. J. Kutnikar ..	~~15-1-1940~~	8.7.41
Mr. N. Nanjiah. ..	~~19-2-1940.~~	8.7.41

2. All the abovementioned three Honorary Assistant Engineers are drawing Rs. 175/- plus 25 P.A. for over five years. The date from which they are drawing Rs. 175/- plus 25 P.A. is noted against each. Their initial pay in the revised grade is also fixed at Rs. 200/-. They have to wait for another two years to earn an increment of Rs. 25/-. Mr. K. J. Kutnikar, Honorary Assistant Engineer retires from service even before earning an increment in the revised grade his date of birth being 1-8-1892.

3. In this office No. 4590/E dated 25-1-1946, it was recommended that the initial pay of the following Honorary Assistant Engineers may be fixed at Rs. 225/- in view of their stagnation on Rs. 200/- for over 5 years

Mr. V. Rajagopal Iyengar.
Mr. K. J. Kutnikar
Mr. N. Nanjiah

I therefore request that sanction of Government to fix the initial pay of the above-mentioned Honorary Assistant Engineers at Rs. 225/- with effect from 16-3-1946 may kindly be obtained and communicated.

The Three Hon'y Asst. Engrs were getting only Rs 125 and they are now getting the same pay but Rs 200 + also a grade. There is no justification for an advance increment.

N. Narasimha Iyengar
Chief Engineer for Irrigation

16.7.

Initial pay of Hon: Assistant Engineers.

The present proposal of the G.E.I. is to give the three Hony Asst Engineers an allowance increment in view of their resignation on present pay for nearly five years. Of this is not done one of them Mr Kuttikan who is due to retire on 1-8-1947 will retire, without earning any increment in the grade. As see from the Civil List the other two officers have to retire in four years. In the circumstances mentioned by the G.E.I. the proposal to give the initial pay of the three officers at Rs. 225/- with effect from 16-3-46 is sanctioned.
